## MISSIONS DUPLEX

#1322 / #1140

## The North Carolina Great Commissions Ministry Department has a Special Project!

The Great Commissions Ministries wrapped up the month of March with close to 800 people in attendance to the Great Commission Meals. We want to give a huge thank you to all the churches that hosted us and those of you that came out to support missions. We could not carry out His mission of spreading the Gospel without the help of the body of Christ and supporters like you.

The NC Conference special project for 2024 is the construction of a new duplex to provide housing for our missionaries when home for a season. It is also designed to honor the legacy of our former Missions Director and Bishop Doug Bartlett. If you would like to support financially, click [here](#) to give toward the "Doug and Anne Bartlett Missions Duplex."

## School of Ministry

The 2023-2024 NCIPHC School of Ministry year is coming to a close. The students have worked diligently and been under the teaching of exceptional instructors. With that comes the excitement and gratification of courses completed and now moving toward the next step in receiving NCIPHC credentials for ministry. We are very proud of each student, not just because of their academic efforts but also because they are accepting the call of God on their lives and equipping themselves for the ministry.

On May 18th at the NCIPHC Annual Conference there will be the following recognized for or receiving credentials:

- 24 - Local Church Minister's Certificate
- 10 - Minister's License
- 21 - Certificate of Ordination

### **OPEN ENROLLMENT: 2024-2025 SCHOOL OF MINISTRY**

We are looking forward to another wonderful year of SOM. To enroll in the August – April classes click [here](#) and/or send an email to: Loala Evans [SOMAssistant@nciphc.com](mailto:SOMAssistant@nciphc.com).

Open enrollment closes on June 12, 2024. Late enrollment is at the discretion of the SOM director, Rev. Paul Evans [SOMdirector@nciphc.com](mailto:SOMdirector@nciphc.com)

**AUDIT** – We welcome everyone to audit classes for spiritual and personal enrichment or to obtain ministerial required CEUs. School of Ministry is not just for working towards receiving ministerial credentials. For more information about auditing classes, contact the SOM Director or SOM Administrative Assistant.

Please pray for SOM and all of our students as they launch into new ministries or continue where they have been serving. We have seen the attacks of the enemy on several of these students as they have accepted the call of God and are going forward in preparation. Our God is bigger! Our God is greater! He is using SOM to build the kingdom of God.
