EXPLANATION AND OPPORTUNITY FOR STARS AWARDS

Star 1: A “Yes” to any of these questions results in earning this star

Star 2: Receiving a missions offering on a regular basis earns this star

Star 3: To earn this star you must support at least one IPHC missionary

Star 4: Receiving the *Global Outreach Offering* earns this star. Remember this year’s offering must be in the Falcon office by Friday, December 15, 2017.

Star 5: Supporting any part of the *People to People Program* earns this star. We have many children available for sponsorship. Contact our office for a profile.

Star 6: Contributing to any Church Planting Project, in our Conference or on the Mission Field, earns this star. You may also get this star by contributing to the *Conference Church Planters Fellowship Fund* or by contributing to the *Coffee House Ministry*, since a coffee house work can lead to the planting of a new church. (Coffee House Ministry mugs are available for a 12-month commitment of \$10.00.)

- Current Conference Church Plants: *“Engage Life Church” in Whiteville; The Way Church (Phoenix, AZ); The Potter’s House (Hispanic) in Ayden*
- Specific Church Plants on the Mission Field are too numerous to list here. Throughout the world IPHC is planting churches. You can peruse this website for many options <https://give.iphc.org/missions>

Star 7: There are numerous and various ways to earn the Special Projects Star. Some general examples are *Operation Teaching Tools, Hope 4 Sudan, Discipleship Beyond (training for leaders in restricted access countries), The Awakening (students missions ministries), and NC Conference Missionary Homes*. Also, supporting a PTP Child, along with giving to another PTP ministry, such as *Disaster Relief, Water Wells, Feed the Hungry, Microbusiness, Ministry of Medicine*, earns this star. Other specific projects are many and can be seen at <https://give.iphc.org/missions>. A few recent appeals include motorcycles for pastors in Nepal (\$1,500 to \$2,000 each), buildings for churches in Nepal (\$10,000 to \$15,000), any help with the *Philip & Gailya List Training Centre* in Nairobi, Kenya, the *Thailand Theological Seminary*, or *Camp Victory dormitory* in Dominican Republic.

Star 8: This is another star that can be gained in many ways. *Operation Timothy* is a general fund for training national missionaries. Any support for training nationals gets this star. From the *2017 Link Prayer Guide* comes this list of National Missionaries who could use any amount of support.
