- **May we have a glimpse at what you have in your attic, drawers, closets or in boxes under you bed?**
- **Perhaps you have pictures or documents that would help tell the story of your church, conference or denomination or even a particular pastor or lay leader who was influential?**
- **Consider events. Do you have pictures or publications from Falcon Youth Camp or Royal Rangers, Campmeeting, etc...**
- **Remember - Anything that happened before today is history.**
- **Throw nothing away until you've considered us!**
- **If you want to hold on to any of these treasures, we would appreciate the opportunity to copy them and return them to you.**
