

Our Vision and Goals

That all believers would have an active Prayer life, which would draw us closer to each other, as well as to God, His plans, and purposes.

That through this process of prayer we will be transformed into a mature people reflecting the character and integrity of God.

That prayer would be seen as a time of yearning to be in the presence of a loving Father in intimate relationship.

That our communion with the Father release us to pray at any time and in all places.

That all pastors, their spouses, and all believers would enlarge the vision of prayer in their individual lives, the local churches, the conference, the denomination, and around the world.

As we make Prayer a priority, it will be viewed as a privilege and a joy, rather than a hardship.

That all pastors appoint WIN captains in their local churches who will convey and direct the WIN program within the vision of the pastor and local church.

Each captain will promote prayer activities and encourage a greater commitment to prayer.

Each WIN captain will coordinate with the WIN director to promote prayer activities within the conference.

WIN Mission Statement

Prayer is the mission that helps to fulfill the great commission. In order to fulfill this commission of winning souls for the kingdom, we must first be a people of Prayer. We must acknowledge that all is wrought and brought forth, only through prayer, both in the spirit and natural realm. Our mission is clear! As part of the body of Christ we must increase in our awareness, knowledge, and need of a more dedicated Prayer life.

As we strive to become more devoted to intimacy and prayer, our Heavenly Father will continue to share with us His heart. Therefore as we form part of this living organism of Prayer, we become a more radiant and glorious church experiencing His joy and peace.

As the body of Christ, we will continue to obey our God given command to "Pray without ceasing." We acknowledge that the avenues of Prayer, Praise, Worship, and the study of God's Word, will satisfy the whole man (spirit, soul and body).
