## "CONNECTION" GROUPS IN THE LOCAL CHURCH

Connection groups are subgroups within a local WM that bring together women who have similar interests or life circumstances. A local WM can form these groups around the areas of fellowship, study, exercise, hobbies, fund-raising, compassion, volunteerism, service, hospitality, evangelism, missions, etc. Any size group can work as long as the women in the group feel connected. Each group should be full of purpose and handled with authenticity and excellence. This will create opportunities for women to be sent out fulfilled and empowered.

The WM encourages the connection groups to meet semi-annually or seasonally to celebrate what God is doing in and through women of the local church. These events can be in the form of an evening service, local conference or retreat, banquet, a brunch, etc.
