"Prayer In Another Dimension"

Author Sue Curran reveals how all of God's children can live supernaturally through praying into another dimension. Learn five principles that will change your prayer life: The power of Vocal prayer; The need for Fervent prayer; Praying the Word of God; Getting God's Attention, and the Authority of Prophetic Declaration. Filled with modern-day examples of what God is doing all over the world, you'll see how Christians are putting these principles to use and experiencing the supernatural power of God in their lives.

"The Prayer-Saturated Church"

Do you yearn to connect more fully with God? Let Cheryl Sacks, director of the Church Prayer Leaders Network, show you a step-by-step way to mobilize, organize, and *motivate* believers to turn their church into a dynamic house of prayer!
