

## SHARING SISTERS INFORMATION

### *TPals*

June is designated as Sharing Sisters month.

Contact your paired WM group and take time for each other. It does not have to be burdensome but rather a time to share ideas and good news during the year. If you cannot meet in June, please don't miss this wonderful opportunity for fellowship. Select a month that is convenient and share, share, share!

A fun idea is for each lady to decorate a cheap pair of flip flops, judge them and give prizes for originality, prettiest, most eatable, or most animated. It is fun and the ladies enjoy their creativity.

Have a hot fudge sundae party with all the trimmings and have each lady make their own sundae. This is a cool treat and is certainly not an expensive one. This gives your ladies time to talk and share special times.

The main thing is to spend time together and share your experiences with the Lord. It is so great to take time and fellowship. In this age of cell phones, texting, and e-mails, let us have time to see each other face to face and be a blessing.

The ideas are many and unlimited. I would suggest going to a website for Women's Ministries themes if you would like to get more ideas for the future.

God Bless,

Teresa Woodard
